*Review: Cute story and lovely artwork: reason for 3 stars is the material of the book. It is not a sturdy hard book, it is like a thick magazine. The material makes it hard to keep the book open and appreciate the fun artwork. Would recommend but only if your okay with a book that doesnt easily stay open....*

*Description: Teachers and parents, take note: this book is already a classic. Two geniuses--author and illustrator--came into perfect alignment to create this book. The author has kids thinking it is entertainment while adults think it is a great lesson about the ocean. The genius of the illustrator is obvious. With painstaking detail each illustration is created...*
